**INTRODUCTION AND AGENT BACKGROUND**

1. I am an investigative or law enforcement officer of the United States within the meaning of Section 2510(7) of Title 18, United States Code, and am empowered by law to conduct investigations of and to make arrests for offenses enumerated in Title 18 of the United States Code. I also am a “federal law enforcement officer” within the meaning of Rule 41 of the Federal Rules of Criminal Procedure.

2. I am a Special Agent with the U.S. Department of Homeland Security, Immigration and Customs Enforcement (ICE), Homeland Security Investigations (HSI), and have been so employed since June 2007. I am currently assigned to the Manchester, New Hampshire field office. As part of my regular duties as a Special Agent, I investigate criminal violations relating to a broad range of immigration and customs-related statutes and have been cross-designated to investigate violations relating to the distribution of illicit narcotics as specified under Title 21 of the U.S. Code. I have been trained in drug investigations, search warrants, undercover techniques, surveillance, debriefing of informants, and other investigative procedures. Through my training, education, and experience, I have become familiar generally with the manner in which drug distribution organizations conduct their illegal activities, including purchasing, manufacturing, storing, and distributing narcotics, the laundering of illegal proceeds, and the efforts of persons involved in such activity to avoid detection by law enforcement. In the course of participating in investigations of drug distribution organizations, I have conducted or participated in surveillance, the purchase of illegal drugs, the execution of search warrants, the use of tracking devices,

debriefings of subjects, witnesses, and informants, and reviews of consensually recorded conversations and meetings.

3. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents and witnesses. This affidavit is intended to show merely that there is sufficient probable cause for the requested warrant and does not set forth all my knowledge about this matter.

### **STATUTORY AUTHORITY**

4. Title 21, United States Code, Section 846 provides, in pertinent part:

It shall be unlawful for any person knowingly or intentionally to distribute a controlled substance.

21 U.S.C. § 841.

### **PROBABLE CAUSE**

4. Based on my training and experience, and the facts set forth in this affidavit, I have probable cause to believe Lamar CARTER (“BANDO or BOOG”), Isaiah WADE (“SAV or SAVAGE”), Manuel HENDERSON (FRESH or RED), Aundre LESTER (“KAI, BANGA or KODAK”), Xavier SMITH (“NUKE”), and Korron BENTHALL (“READY or READY BOY”), and Danna FRAZIER have engaged in a conspiracy to distribute Schedule II controlled substances and have unlawfully distributed controlled substances, namely crack cocaine, in violation of Title 21, United States Code, Sections 846 and 841.

5. Over the last year or so, the Keene Police Department (KPD) has seen a significant surge with drug trafficking from out of state residents, specifically New York and New Jersey. Over the past several months, a number of confidential informants (CI) and sources of information (SOI) have provided information to the KPD regarding such activity. During this investigation, law enforcement has identified Lamar CARTER and Isaiah WADE as leaders of a crack cocaine distribution organization operating in the Keene, New Hampshire area.

6. To date, law enforcement has been able to identify at least five subjects working for CARTER and WADE to include: HENDERSON, BENTHALL, LESTER, SMITH, and FRAZIER. Several of the subjects identified to include CARTER and WADE are verified gang members of the Bloods Street Gang and have ties to New Jersey. WADE is currently on federal probation for distribution of a controlled substance.

7. Of particular interest, the KPD received information that several subjects of the organization are traveling to New Jersey on a weekly basis to resupply with kilo level amounts of cocaine. They then transport the cocaine back to Keene, New Hampshire from New Jersey. Once in Keene, members of the organization are manufacturing the cocaine into crack cocaine.

8. Since April 2022, several New Jersey registered vehicles and rental vehicles have been seen at known “drug houses” or people known to be from the state of New Jersey coming and going from the Keene, New Hampshire area.

9. During this investigation, members of law enforcement have seen known members of the organization to include CARTER and WADE, driving around Keene in rental vehicles. These vehicles are normally rented for the organization using a straw renter. All the straw renters are known narcotic users.

10. In May 2022, law enforcement obtained the assistance of two cooperating individual (hereafter, “Cooperating Individual or “CI-1” and “CI-2”), who could conduct a

controlled purchases of crack cocaine directly from CARTER, WADE or “Runners” and supplied information related to how the organization operates. KPD received information from the cooperating individuals that the organization was operating out of NH. CI-1 agreed to cooperate with law enforcement in exchange for consideration for leniency on pending criminal charges related to the distribution of crack cocaine. CI-1’s criminal history includes convictions for the following (all of which are New Hampshire state offenses): Driving while Intoxicated, Acts Prohibited, Shoplifting, Simple Assault, Simple Assault (DV), Willful Concealment, and Breach of Bail. CI-2 agreed to cooperate with law enforcement in exchange for consideration for leniency on pending criminal charges related to the distribution of crack cocaine. CI-2 did receive financial compensation for information provided. CI-2’s criminal history includes convictions for the following (all of which are New Hampshire state offenses): Theft-Willful Concealment and Acts Prohibited.

11. On May 2, 2022, KPD observed two black males exiting NJ registration U20MJW in front of Keene, NH and entering the residence. It was later determined that NJ U20MJW is owned by Enterprise Rental. The vehicle was rented by Carri Carr. Carr is also known to KPD as a narcotic user. was being rented by a Danna FRAZIER. FRAZIER is known to the KPD as a narcotic user.

12. Controlled purchase 1: On May 5, 2022, law enforcement officers met with CI-1 to prepare for a controlled purchase of a “ball” of crack cocaine from “Bando” who I know to be CARTER from reviewing a reliable law enforcement database. When law enforcement met with CI-1, CI-1 was searched for weapons, money, and drugs without findings. CI-1 was given \$250.00 in US currency, a one-way transmitter, and an audio recorder.

13. At law enforcement’s request, CI-1 was directed to call CARTER. CI-1 called the number we have associated with CARTER. CARTER answered the phone and stated “Sav” would

be meeting CI-1 in approximately ten minutes because CARTER was not available. “Sav” is known to law enforcement to be WADE. The meet was set to take place at a location near downtown Keene, NH.

14. A short time later, law enforcement observed a small, dark-colored sedan pull up in front of the meet location. The driver and passenger exited the vehicle (white male driver and black male passenger). The passenger walked up to CI-1 and exchanged cash for suspected crack cocaine. Both occupants from the sedan returned to the vehicle. The sedan left the area and was surveilled back to and parked in the vicinity of

15. Following the controlled purchase, law enforcement met with CI-1 at a predetermined location. CI-1 turned over the purported crack cocaine to law enforcement. CI-1 knew the person that showed up for the controlled purchase to be “Sav”. CI-1 handed “Sav” \$250.00 in exchange for the “ball” of crack cocaine. When law enforcement met with CI-1, CI-1 was again searched for weapons, money, and drugs without findings.

19. Prior to CI-1 placing the call, law enforcement was surveilling and noted the New Jersey rental car (NJ U20MJW) was parked outside FRAZIER's apartment. Minutes after CI-1 placed the phone call to CARTER, two people exited and got into the New Jersey rental. The vehicle traveled directly to the meet location.

20. CI -1 met with the passenger of the New Jersey rental vehicle and exchanged cash for suspected crack cocaine. The NJ rental left the area and was surveilled back to Lane and parked in the vicinity of Following the controlled purchase, law enforcement met with CI-1 at a predetermined location. CI-1 turned over the purported crack cocaine.

21. CI-1 didn't know the target's name but knew their cash app name and their phone number. CI-1 provided law enforcement with both. The cash app name was (Nukeee "NuketheG1"). CI-1 stated the person's face depicted in the Cash App photo was the person with whom the exchange took place.

22. Based on an identification from the Jersey City Police Department in NJ, "Nuke" was identified as Xavier SMITH. When law enforcement met with CI-1, CI-1 was again searched for weapons, money, and drugs without findings.
